

Γενικές Οδηγίες για την Μελέτη των Θεμάτων του Web – ALL (Spring 4 – Spring 4 MVC – Hibernate 4 – AngularJS – Maven)

Περιεχόμενα

AngularJS

1. AngularJS, <http://websystique.com/angularjs-tutorial/>
- 1.1 Intro, <http://websystique.com/angularjs/angularjs-hello-world-example/>
- 1.2 Hello World Example, <http://websystique.com/angularjs/angularjs-hello-world-example/>
- 1.3 Modules, <http://websystique.com/angularjs/angularjs-modules-explained/>
- 1.4 Controllers, <http://websystique.com/angularjs/angularjs-controllers-explained-with-examples/>
- 1.5 Forms, <http://websystique.com/angularjs/angularjs-form-validation-example/>
- 1.6 (Optional) Server Communication Example with \$http, <http://websystique.com/angularjs/angularjs-http-service-example-server-communication/>

Spring 4

2. Spring 4, <http://websystique.com/spring-4-tutorial/>
- 2.1 Hello World, <http://websystique.com/spring/spring-4-hello-world-example-annotation-tutorial-full-example/>
- 2.2 DI & constructor with set/get, <http://websystique.com/spring/spring-dependency-injection-example-with-constructor-and-property-setter-xml-example/>
- 2.3 Beans & XML, <http://websystique.com/spring/spring-beans-auto-wiring-example-using-xml-configuration/>
- 2.4 (Optional) Spring 4 & Hibernate with MySQL using Maven, <http://websystique.com/spring/spring4-hibernate4-mysql-maven-integration-example-using-annotations/>

Spring 4 MVC & Integrations

3. Spring 4 MVC, <http://websystique.com/spring-4-mvc-tutorial/>

3.1 Hello World, <http://websystique.com/springmvc/spring-4-mvc-helloworld-tutorial-full-example/>

3.2 Annotations, <http://websystique.com/springmvc/spring-4-mvc-helloworld-tutorial-javaconfig-full-example/>

3.3 Form Validation, <http://websystique.com/springmvc/spring-4-mvc-form-validation-with-hibernate-validation-resource-handling-using-annotations/>

3.4 View Resolver, <http://websystique.com/springmvc/spring-4-mvc-contentnegotiatingviewresolver-example/>

3.5 (Optional) Apache Tiles 3, <http://websystique.com/springmvc/spring-4-mvc-apache-tiles-3-annotation-based-example/>

3.6 Rest, <http://websystique.com/springmvc/spring-4-mvc-rest-service-example-using-restcontroller/>

3.7 Rest with CRUD, <http://websystique.com/springmvc/spring-mvc-4-restful-web-services-crud-example-resttemplate/>

3.8 Rest Security, <http://websystique.com/spring-security/secure-spring-rest-api-using-basic-authentication/>

3.9 Spring 4 MVC & AngularJS via \$http, <http://websystique.com/springmvc/spring-mvc-4-angularjs-example/>

3.10 Spring 4 MVC & AngularJS routing, <http://websystique.com/springmvc/spring-4-mvc-angularjs-routing-example-using-ui-router/>

3.11 Spring 4 MVC & Hibernate4 & MySQL & Maven, <http://websystique.com/springmvc/spring-4-mvc-and-hibernate4-integration-example-using-annotations/>
